

BOROUGH OF SOUTHMONT
148 Wonder Street
Johnstown, PA 15905

Workshop Minutes for June 10, 2014

Present: Attorney Michael Carbonara, Borough Manager Richard Wargo; Sec./Tres. Amanda Claycomb, Council President Ed Danyluk; Council Members; Gregory Paolini, Herb Ewald, Kevin Pile, and Robert Morgan; Todd Banks (Stiffler McGraw)

Meeting Agenda

Mr. Banks reviewed the Sanitary Sewer System Evaluation and Recommendations for the Southmont Borough Wastewater Collection and Conveyance System provided by Stiffler McGraw. Mr. Banks stated the flow metering information showed that the areas of meters 2, 5 and 6 were the worst. Mr. Banks provided four options that were prepared for Council consideration (attached).

Council discussed the area along the border of Upper Yoder Township and Southmont Borough. Mr. Banks stated Stiffler McGraw could install approximately three flow meters to determine how much of the flow comes from surrounding areas and how much comes from Southmont.

Mr. Banks recommended having an aerial map of Southmont Borough. Council agreed and will discuss at the June 16, 2014 Council Meeting.

A discussion was held regarding contacting PENNVEST to discuss financing for the proposed projects. Mr. Wargo will contact Larry Gasperato from PENNVEST to set up a meeting.

Meeting ended at 4:54 p.m.
